

SCHOOL DISTRICT OF LEE COUNTY
COMPUTER/DEVICE RECEIPT AND RESPONSIBILITY FORM

I am receiving from the School District of Lee County (“District”) a computer/device identified below (“Equipment”) that my child can use outside of the school campus for educational purposes. The Equipment is and will remain the property of the District. Any additional property provided should be returned to the District in good working order (i.e., power adapter, case, etc.). I agree to return the Equipment to the school at the end of the school year.

I understand that the Equipment, like textbooks, is instructional material, and that I am legally responsible for the replacement cost of the Equipment if it is lost, stolen, damaged or seized while in my possession. I am responsible to ensure that the Equipment is cared for properly. If the Equipment is stolen while in my care, I understand that I am responsible to file a police report with the appropriate agency, report the item missing or stolen to school, and provide the school a copy of the police report within five business days.

I understand that the Equipment may allow access to the Internet. While the District makes every effort to limit access to inappropriate content through Internet filtering systems, it is the responsibility of the parent/guardian to monitor and control the student’s use of the Equipment. Inappropriate use is a violation of the Code of Conduct for Students and *School Board Policy 2.20*.

The District reserves the right to monitor or access the contents of its computers if it suspects or is advised of possible breaches of security, harassment, or other violations of policies, rules, regulations, directives, law, or evidence exists which demonstrates to the school or District that its computers may contain information, data, or other intellectual property that belongs to another person. Students have no expectation of privacy of content stored on or accessed through District Equipment.

Any software and instructional content contained on the Equipment is licensed to the District. Any copying, modification, merging or distribution of the software is prohibited. The student is responsible for complying with any and all hardware, software and service provider licensing agreements, terms of use and applicable state and federal copyright and other intellectual property protections. Violation of any such licenses, terms or laws shall constitute a violation *School Board Policy 2.20*. Only software approved by the District may be installed on the Equipment. Students must not intentionally modify system configuration files or otherwise interfere with the functioning of the Equipment.

Students are responsible to attend school with Equipment fully charged and ready for school.
